OFF MY CHEST

Editor's Notes

*Boobs are the universal language. They garner attention, praise and desire from both men and women. They are used to open doors, to sell merchandise, to get men and sometimes women to do whatever the breast wearer desires. If all of that weren't true, there wouldn't be magazines like Gent. Luckily for us tit lovers, all of the above are merely facts. I've often wondered why it is that I am so infatuated by boobs. Is it nature or nurture? Is it the fact that I discovered my dad's stash of titty mags or the fact that he had them in the first place? I was twelve when my first sexual experience with somebody beside myself was with a girl that was a few years older. She had a pair of the biggest breasts that I have, to this day, ever had the pleasure to get a grip on. Alas, we'll probably never know what drives us to all things titular. As for myself, it seems that I have found the perfect job. As both a photographer and an editor I spend the better part of each day immersed in tits. Every guy I meet asks me if they can be my assistant. This month I have assembled an incredible array of big-tit beauties. The covergirl and opening layout is **Sheena De Janiero**. She sports a great rack on top of a smoking body. Her face has, "You better fuck me good!" look to it. When it cums to an amazing pair of natural yabos, you won't find many nicer than **Bunny De La Cruz**. She puts them to very good use with the lucky stunt cock that gets to dip into her deep cleavage. **Isabelle's** blonde hair and beautiful face make her a sweet addition to Gent. Her tits ain't too shabby either! **Angelique Morgan**. She is a crazy French girl who just plain loves being in the sex industry. When she was in my studio I had a couple guys lined up to shoot her throughout the course of the day. While I was setting up to move to another set she comes up to me asking, in her sexy French accent, "Vy am I fooking only one guy at a time. There are two guys here. I vant to fook both." You gotta love that! Also, Angelique is featured in this seasons VH1 show Bret Michaels' Rock Of Love. The opening episode was on last night and she was just as crazy as ever. She may not win, but I have no doubt she will be fucking him before she's off the show. Speaking of huge natural boobs, **Vanessa** brings a lot to the game... a lot of tit that is. I put **Dolly** in the centerfold position because I needed two pages to be able to fit her huge rack in. She didn't seem to have a problem fitting a big cock in though. Strawberry blonde **Rose** could be featured in a leg magazine considering how long hers are, but she also has a really nice set of D-cups, so we'll just keep her here. Both **Paradise Lei** and **Summer** have been in Gent before, but this is the first time we have been able to pair them up. While Paradise is a pro, this was Summer's very first photo shoot. My make-up artist knows her boyfriend – lucky guy - and they brought her to me. I'm not one to miss a good opportunity, so I got her in the studio as quickly as I could. She seemed to adapt pretty well to her first taste of pussy. I shot **Brooke Ann** in my last trip to Vegas. She was the first of thirty models and seventy layouts I shot that week. It was good to start out on a high note. **Abby Rode** – Oh darling, there's something in the way she moves that just wants to make us come together, and yet, I want her, she's so heavy, in an octopus's garden. But here comes the sun as she came in through the bathroom window. I love that name... her tits too! Well, them's be the bitches this month. Not one in the bunch I'd throw out of bed. But that's far from all that Gent has to offer. We have our resident super slut **Amber FoXXX** up to her usual antics. This time around she's eating at the "Y" with a couple of fellow big-titters. This month **Rhiannon** has brought you another of my favorite sausage smugglers, **Sinthia**. She has a true story for you that just begged to be told. That's not nearly all I have in store for you in this action-packed issue of Gent, but it gives you a good idea. Now repeat after me... It's All About The Boobs!*

TALE OF TWO TITTIES...

Dear Editor,

I am a big fan of Gent magazine. I have been subscribing to Gent for as long as I have been of age. I clean pools in Florida for a living. It just so happens that one of the models that turned up in Gent is one of my customers. I won't state her name, as I am sure you will not print it to protect her privacy, especially since she was more than just a customer. Let's just call her Sue to keep things simple.

It was a hot, humid day, typical of Florida during the height of the summer months. I was ahead of schedule and arrived earlier than usual at Sue's house. She happened to be skinny-dipping and honestly even being nude in those months is wearing too much with the brutal heat. I decided I would watch her for a while before I entered through the back gate. This was one sexy bitch! I immediately felt my cock begin to throb as I watched her dance through the crystal clear water. I remember rubbing my hard rod through my pants thanking God for this incredible show of the female form. She rolled over to float on her back with her amazing giant tits standing straight up with her beautiful pink nipples poking through the water. She really knew how to float! She even had her shaved pussy almost on top of the water where I could catch a glimpse of her pink slit. I remained concealed behind the gate that separated me from this spectacular piece of ass. I wanted to enjoy the private show that only my eyes were privy to witnessing. My cock was aching to the point I had to unzip my pants and unleash the raging meat beast. With each stroke she took, so did I. My cock was so fucking hard I was just on the verge when she spotted me. Lucky for me she could only see my feet and my head through the fence. She said, "Isn't it a hot one". I stuttered, "Oh yes!" Of course, I meant her, not the scorching heat that blazed upon us. She responded, "You must be roasting". Again, dumbfounded, I responded, "Oh yes!"

With that she invited me for a swim. She told me not to be shy and welcomed me to join her. At first I was a little hesitant because I was afraid I could lose my job. Swimming on the job was NOT permissible and if anyone found out I could get fired. Then she blurted, "Last chance". I thought to myself. "What am I fucking crazy, who ever gets such an opportunity?" Before I could even finish my thought, I ripped off my clothes and found myself in the deep end of her pool.

She swam up next to me, looked at my boner and asked me if that was my flotation device. Since I was stark naked obviously I could not hide my rock-hard dick. She dove under the water and started sucking my cock. What an amazing experience, a blowjob underwater. This chick had some breath control! It felt as though she had been down there for an hour. When she finally came up she stuck her tongue down my throat as she mounted my prick. Her hefty

hooters bounced against my chest as we fucked. She rode me so hard I could have sworn she created a tidal wave in the pool. I held onto her giant tits as I slammed my meat into her juicy cunt. I then slid my hands down to hang on to her womanly hips, so I could suck those massive mounds. I drove my cock as far as it could go inside her tight twat.

She begged me to cum all over her boobs. When I was ready to explode I pulled my cock out and blew a load like never before. I watched my milk spew all over her juggs. She raised her tits so she could lap the man juice off her mammaries.

As she thanked me for always providing her with great "service", she told me she wouldn't report me to my job as long as I don't report her to her husband.

I told her I look forward to servicing her again next week.

Florida Pool Boy

Dear Amber FoXXX,

I look forward each month to FoXXX On The Run. You are one sexy bitch. I'd love to slap my big cock between your huge cans and then slam it in your mouth until I blow a big juicy load down your throat. I bet you'd like that!

Tony Stefano
Brooklyn, NY

Dear Tony,

Words like that could make a girl blush. However, you're right on the money. I'd love to suck your cock and swallow your big load.

Love,
Amber

Dear Rhiannon,

The pictures of you with the angel wings in the April issue are spectacular. I've always thought you were a Goddess, but now I'm sure.

R.C. Milburn
Racine, WI

Dear R.C.,

Thank you so much. I assure you, I ain't no Angel! Did you read the story in the column?

Rhiannon

Dear Anton,

I was so happy to see the girls of Lykens Entertainment featured in Aprils issue. I spend a lot of time at my local titty bar and they often have features. I have seen many of these girls over the years.

I've seen Jada DeVille many times; she puts on an incredible show and is one of the friendliest people I have ever met. Felony Foreplay is pretty new on the circuit and a great addition. I have seen Kitty Lynxxx a couple times – she has some great tits to go with her wild shows. One of my favorites over the last couple years is Robyn Foxx. What a fucking body she has! It was hot to see her getting fucked. You don't get that at a go-go bar.

Some of the others I have only seen in videos. I have always loved Exotica and Devon Michaels. Their bodies are perfect!

Lastly, where did you find the Burbank Bomber? What a freakin' MILF! She is unbelievable!

Keep up the good work!

Alan Havlverson
Naperville, IL

Dear Alan,

I had a great time shooting the Lykens girls. Again, I want to thank Ken from Lykens for setting us up. The Burbank Bomber was another Rhiannon discovery. Rhiannon books all my shoots, so you guys have her to thank for all the wonderful models that are featured here each month.

Anton

DearGent,

Why is it that the DVD's that come with the magazine are softcore when the magazine shows so much hardcore?

Chad Monroe
San Bernadino, CA

Dear Chad,

You'll pleased to know that beginning with this issue (June 2008) we will be giving you free XXX DVD's. Keep in mind that Uncle Sam won't let us distribute hardcore vid everywhere, but you will have no problem where you live.

PHOTOS BY BIG DICK JOHNSON

I have been very lucky over the last couple years in how many cool people I get to meet, and how that often leads to me fucking them and the people that they are friends with! That is exactly what happened this summer when I went down to Florida and hooked up with my girlfriend Claire LaFemme (www.lafemmedc.com). When she came over to the house where I was staying, she brought a girlfriend, the super sexy Kira Silver!

I have known Claire a couple years, and of course in that time I have figured out how much she likes girls, so when Kira (www.kirasilversadventures.com) was with her, I knew there was going to be some sloppy snatch sucking going on! In case you forgot, or somehow missed the issue of Gent (Shame on you if you missed it!!!) where I first met Claire, then you need to go get a back issue and see how we corrupted a lingerie store clerk together. Since meeting her, whenever we get together has always led to very hot times, and we just enjoy each other like crazy!

We did a little of the girl talk thing since I hadn't seen Claire for a while, and we spent some time exchanging makeup tips and recipes - wait, we didn't do any of that, I wound up diving face first into Claire's chest pillows, since that is always the first thing I do to greet her. Kira joined me in my tit feast, and I knew right away that she was my kind of girl!

It didn't take long for all three of us to strip down to nothing, and after taking some time to

appreciate Kira's perky C-cups, I lay down for her to mount my face, while Claire played with her perky nubs and kissed her deeply. She rubbed her meat curtains up and down my tongue and I moaned with my own delight at how delicious she tasted! That moaning sent vibrations through my tongue to her clit, and Kira shuddered and rocked even harder atop me as she came and that rush of excitement hit my mouth! She slipped off, shuddering for a couple minutes, then moved with Claire to spend some time atop my mountains.

The two blonde vixens worked over my tits while I diddled my twat with the sensations from their teeth and tongues at my nipples sending electric sparks all the way down to my clit and back. I was quivering in ecstasy when I looked up to see them kissing over me, trading tongues between them as they got lost in each other's touch.

I took that opportunity to sneak to my unpacked bags and dig out my fat strap-on that Claire enjoys so much. I got my cock ready to go, and winked at Kira, who guided Claire to lie down on the bed. She grabbed my tool and pulled me towards Claire's hungry cunt, then pushed my ass to drive me forward into her friend. Claire screamed out in pleasure, with her sexy Scandinavian accent, as I drove my hips forward to fill her waiting hole.

Kira took it upon herself to muffle Claire's screams and took another face ride to take advantage of the orgasmic sounds Claire was letting out while getting her pussy pummeled by

my thick toy. I fucked her just the way I know she likes it, and after she came really hard I pulled that rubber dick out of her slot and Kira grabbed it to feed it down her throat. Claire gagged on her own juices, and hungrily licked up the cream that was left over from her cumming. Kira joined her in slurping at my strap-on and I looked down as they twined their tongues around my thick dick. They jerked on the dong and my knees buckled as the base knocked against my throbbing pussy lips, causing me to cum over and over again.

I let myself drop forward onto the bed as I sighed and moaned in a way I only do after great orgasms hit me, and Claire and Kira followed me to the sheets. We caressed each other softly in the afterglow of the fun we had, with the musky scent of hot and lustful sex all around us. We took our time enjoying the sensations before parting ways, because we had all just started with our week's vacation of sucking and fucking.

We did get together one more time to close out the week, but that's a different story - a much different story - when Porno Dan (www.pornodan.com) joined in on the fun! Anyone who has seen Dan's crazy antics know that it's a sight to be seen, and him parading around in Claire's pilots outfit was certainly no different - you will have to go to my website to check that out though!

Keep on cumming!

Rhiannon's

Breast Of Times

One of the things I love most about being part of Gent is booking the models. I meet the most X-citing and interesting girls. They come from all over the country. I used to think and sometimes get afraid that too much of a good thing would lose its appeal, similar to the old adage "the shoemaker and his shoes". That is why I find booking these beautiful and unique models to be so stimulating and invigorating.

Sinthia is a perfect example of one of those truly unique women. What I love most about her is her ability to be so sexually liberated, not just as a professional but also in her everyday life. Once you read Sinthia's true account, I am sure you will agree with me. I think all women should be more like Sinthia.

Here's her story: Well what's a girl to do??? I went to the local adult video and book superstore to pick up a sexy movie or two on a Friday evening. In the mood for some mischief, I decided to wear something hot and sexy and picked out a sexy short dress that barely covered my bare ass and shaved pussy. Being a 34G, and wanting to show off my other assets, the dress was a halter with a plunging neckline, cut to the waist, barely concealing my huge tits. A pair of stripper heels, some sexy perfume, blonde hair style softly with that "just got laid look" and some red lipstick and I was ready to go.

When I arrived, I decided to first have some fun. I walked through the entire store, aisle by aisle, to make sure that I had gotten the attention of the gents who were perusing the racks. Then I headed to the toy section and began looking at the toys. First I picked up a large dildo, at least 10 inches. I had the undivided attention of every guy in the store as they watched me sizing up the toys. Once I got their attention I continued my search for the perfect toy that would suit my needs at that moment. I looked at various vibrators, holding each up in plain view, some flavored lubes, etc. I then found a nice pocket rocket, and went to the front desk and purchased it, insisting that they put batteries in it for me so it would be ready.

With my new purchase in hand, I started walking again down the aisles of the bookstore. There were about seven or eight men in the store at that time, so I made a point of passing each of them in their aisles, closely and rubbing up against them as I passed. I would then stop shortly ahead of each of them, pretend to be interested in a movie on the bottom rack and bend over, so that the skirt no longer covered my tight ass or my naked shaved pussy, but rather gave them a full view of my naughty little treasures. If the movie interested me, I would keep it. Otherwise, I bent back over after reading the cover, and return it to the shelf giving the guy next to me another enticing look at my, now soaking wet pussy.

After walking throughout the store, by each of the men, I chose a couple of videos to preview and took them to the front desk for the staff to load for me. I then slowly, vibrator in hand, walked past each of the guys in the store and headed to the back room to watch some videos. Again, brushing by each of the men on my way back. I sat in the booth, which had an LCD wall in it. The way a LCD wall works is that if you enable it, and the person on the other side has theirs turned on also, the wall becomes clear and anyone in the next booth can watch what you are doing. At the least, my intentions were to put on a sexy and hot show for my neighbor whoever that might be.

As I turned on the video, I lifted my dress up and dropped the halter down so that my dress was bunched up around my waist like a belt. A guy went into the next booth, and as I guessed, enabled his LCD wall so that he could see me sitting almost naked in the booth next door. I leaned over and grabbed one of my huge tits and began sucking it and licking it while he watched. I was getting hot, wet and horny. I began to finger myself, sticking one, then two, then three fingers into my hot wet cunt; fucking myself furiously.

I removed my fingers, rubbed my cum on my tits and licked, not only my fingers, but also the cum from my tits. I pulled out my pocket rocket, applied it to my clit and turned it on full as I let the vibrations throw me into erotic ecstasy as I squirmed on the bench and moaned with pleasure.

Just then someone knocked on my booth. Another guy, who was in the

23626, 23622, 23481

Gent

store, asked what movie I was watching. I was rubbing my pussy as I told him the title. All the while he was looking at my huge tits and my naked pussy as he asked if I planned on buying it, as he had always wanted to see it. I told him yes!

Since it was the only copy, he asked if he could watch it with me. I invited him into the booth and immediately took his hand and put it my wet pussy. I told him the movie had me so hot and horny that I needed him to finger fuck me. After he fingered me for a while, I pulled his hand away and licked my cum from his fingers, sucking each one slowly giving him a preview of what was yet to come. (Or should I say "cum") He wanted to tell me his name and asked mine, but I told him that I didn't want to know it. I explained that knowing his name would ruin it for me. I wanted to fuck strangers; guys I would never see again. He said he understood, so he shut up as I unzipped his pants. I dropped to my knees and began to suck his cock until he was so hard he felt as though he was ready to explode. I shoved him back into the bench, and facing forward, with my hands on the wall and my head under the video screen, began to ride him slowly. I grabbed his hands and told him to grab my tits and hold them as I lifted my pussy up and down until we both came. I could feel his hot cum fill me up as our bodies shuttered. He pulled up his pants and left.

I had forgotten about the guy in the booth next to me who watched everything. He signaled to me that he wanted to come over. I smiled with delight. He came in and wanted to first talk about how hot I had made him. He asked if I would play with my pocket rocket while he watched to start. So I took it out, and put it on my clit until my hot sticky cum was oozing from my wet cunt. I asked him to finger-fuck me while sucking my tits. "Harder", I begged, "faster use my wet cunt." Finally, realizing that I needed his hot thick cock, I unzipped his pants. His cock was huge, throbbing, red and angry looking. I knew he was going to slam my cunt the way I needed it.

I bent over the bench and told him that I wanted him to use my cunt, hard and fast. I begged him to slam my cervix with his huge prick because I was a dirty little slut who needed it bad. He pumped away, harder and faster. I was wracked with waves of pleasure as he used me for his satisfaction. Finally, after I had a huge orgasm, he came with an explosion.

After a few passionate kisses goodbye, he pulled up his pants, and left. I was satisfied. Two great fucks. I was ready to leave when another guy who had seen me in the store, knocked on my door. He was across the aisle from me and watched the first two men enter my booth. I opened it.

What's a girl to do? A hard-on is a terrible thing to waste, so I invited him in. He started to suck and lick my tits. I dropped to my knees and unzipped his pants, dropping them to the floor and began to suck him. I shoved him down onto the bench and rode him for a while. I bent over the bench and asked him to fuck me standing up. This time slower, long, deep strokes, so that I could enjoy a long leisurely fuck unlike the two frantic fucks I had already gotten. Finally we both came and he asked if we could exchange names. I told him that I was not interested in knowing who he was, that the thrill for me was in the not knowing. He laughed and said that none of his friends would ever believe what just happened. I asked him if he really cared. After all, he knew it did. He left and I waited a bit to see if I would get any more visitors. I did. Unfortunately, it was the manager of the store who came by to tell me that it was against the rules to have more than one person in a booth. I did my best to convince him that it would be a great way to end my night if he joined me, but he said he was afraid of getting fired, so I decided to leave. Wet, sore, spent and smiling after three sex-tastic encounters with strangers.

Wifely Duties

WRITTEN BY OPHELIA UPPINPUBLIC ILLUSTRATION BY AARON WARNER

It's not a special occasion. Tonight's not our anniversary or anything like that. It's just another opportunity for me to show my husband how much I appreciate him. He means the world to me and treats me so good. He always shows me how much he cares, and he's never said an unkind word to me. I am as devoted as a wife could be. I would follow my man to the ends of the earth if he asked me to. And I would do it without hesitation. I live to please my husband and to make sure every day is as good as I can make it. Tonight the house is all ours so I plan on making him feel like a man. I want him to hold me down against the soft pillows of the bed and make me beg for his mighty cock to fuck me, so I can feel what a man he is and so that he can see I am here for his pleasure.

I enjoy knowing my husband runs this household and that he is in charge of me and owns me. I love to hear him praise my cooking, or the way I do my hair. And he's a stickler for detail. If dinner is even slightly overcooked he'll scold me. And I'd be lying if I didn't admit to getting off when he punishes me by smacking my little ass. Once I forgot to get an ashtray for his friends when they were playing cards and he put me over his knee and spanked my hiney until I cried. I ran to the bedroom embarrassed, and closed the door, and masturbated, fingering my pussy until I came. I loved the way his friends looked at him in shock and watched me run away. They wish their wives were as obedient as I am, and as much in love as we are.

My husband loves my big breasts. He always compares other women's breasts to how big mine are by telling me about the girls he slept with in college, or describing the girls in his office and how he looks down their blouses when they lean over his desk. Sometimes my boobies are the biggest in his comparisons and I win and he has to suck them. Other times they aren't quite as big, or as firm, as maybe a girl he works with or maybe a waitress at a restaurant, and after he tells me he punishes me by making me suck his hard cock all the way home. I love to hold his stiff penis in my lips and nurse his massive rod until it squirts, filling my mouth. If I spit it out, I get three firm whacks on the behind. If I swallow, he lets me give him head a second time once we're home. I win either way!

I threw a birthday party for my husband once, and thirty of his closest friends were there. I had a little too much to drink and tripped, spilling my wine on someone's tie. He was very upset with me and made me take off my clothes, right there in front of everybody. My nipples swelled from the cool air. I could feel everyone's eyes pour over my exposed breasts as I stood there. Everyone was quiet. They had never seen him so angry. He made me get down on my knees and say I was sorry. Then he unzipped his pants, took out his cock and slapped my face with it. I couldn't believe it. I was totally getting off with every slap of his dick to the side of my face. I wanted to hold his balls and he told me "No!", and that I would have to wait like a good little bitch! I was mortified and his friends just stood there, watching him force his hard pecker down my throat, almost making me gag. I reached down between my legs and started to rub my clitty. I was seconds from coming, when he grabbed my wrists, not letting me finish myself off. People started leaving. I didn't know what to do. I wanted to come so bad, right there in front of everybody!

He picked my trembling and naked body up and set me on the dining room table. Some of his friends had stayed, wanting to see how far this would go. Girls were talking about me and what a dumb slut I was, and they couldn't believe I let my husband treat me this way. I would have told them I enjoy pleasing my husband but his big dick was so wide in my mouth I couldn't utter a word. He was very angry with me and I couldn't wait for his boner to squirt it's precious juice all over my face.

"Please, baby, I'll do anything," I mumbled as he withdrew his penis from my aching mouth. "I'll do anything you want. Please let me fuck you…or…or.. I'll fuck all of your friends if you want."

Now that really pissed him off. Just like I'd hoped! "You'd like that wouldn't you, you whore!" he said as he forced himself down my throat once more. "Then that's exactly what you're going to do, you cunt!"

He told his friends to take turns fucking my pussy. Somebody slid his dick inside my quivering beaver while someone else held my jaw open and fucked it. The girls who stayed just glared at me, then slowly made their way to the table to watch me take all that cock so good. I held a hard dick in each hand and beat them off, begging for someone to enter my ass and come in my asshole. My juggs wobbled as they shook me and fucked me, and finally someone got on top and titty-fucked my giant boobies. I watched his pecker pop out between my tits and I sucked the head when I could. I watched my husband jerk off to everyone degrading me and coming on me and one of the girls went to him. I watched her expose her tits to him and she sucked his stiff meat until goo leaked from the corners of her mouth. It was so good to see another woman's lips wrapped around my wonderful husband's manhood.

It was all I needed to see, before erupting in an orgasmic spasm as the cock in my twat pounded deep, banging my jizz-switch. I swallowed the come in my mouth from my face-fucking lover, and aimed the two dicks I held in my hands at my huge tits, feverishly pumping those cocks until they sprayed forcefully all over my nipples and on my neck and in my hair. I rolled over to invite one more lucky stiff inside my tight pincher, and like the end of a romantic fairy tale, it was my husband and his masterful cock, hard again from another girl sucking his balls. As he slid that fat fucker in me slowly, I enjoyed every inch of it's firmness entering my stretching fanny and cried again from the extreme pleasure and happiness he gave me.

And as soon as he was balls deep and snug in my rectum, his cock let go and all his warm milk filled my butt. He loved me. At that moment, I knew, he truly loved me. I just hope tonight can be as romantic.

HAP

CONFESSIONS

Of A Big-Tit Slut!

FEATURING DEVON LEE

Normally, I can go to a shoot, do my job, collect my pay and go home. The guys are usually nice enough, but nothing that I ever get all that excited about, just another day at the office.

That being said; all that changed the other day. The male talent's name was Steve and he really turned me on. Even before we stepped onto the set, my pussy was dripping. When we finally did step onto the set, it was all I could do to not just jump him and fuck the shit out of him.

The first thing he did was take me into his strong arms and pull me close. I melted. When our lips touched, sparks shot through my entire body. I followed the directions of the photographer, but it was very difficult to remain in control.

When he instructed me to perform some oral on Steve, I couldn't get to my knees fast enough. I wrapped a fist around his throbbing shaft and brought my lips to just the tip. A drop of pre-cum leaked out, and I greedily sucked it up. I opened my mouth wider to let the bulbous head slip between my lips. Little by little I swallowed the steely shaft until my lips touched his balls.

As I stroked my lips up and down his pulsing meat, I heard a gasp escape his lips. When I glanced up to see his face, his eyes were closed tightly. It was obvious that he was enjoying me – and my mouth – as much as I was enjoying sucking his meaty shaft. His hot cream trickled down my throat.

I could tell that he was getting very close to spewing forth a nice batch of cock cream pie. Before he did, he pulled his dick free and pushed me back onto the couch. He knelt down on the floor between my open thighs and guided that plum-sized head to the mouth of my love tunnel. As he leaned forward, my lips parted to allow him entrance. The feeling of him sliding in inch by wonderful inch was incredible. My pussy gladly opened for him until every single thick inch was quivered in my snatch.

He pulled his hips back and I felt his joy stick withdraw, until just the huge head remained. He pushed forward with a bit more force over and over until his groin was slamming into my

ass. I pulled my knees up to allow him complete exposure. I could feel his big balls slapping my asshole on each stroke. He reached down to squeeze my big tits while continuing to fuck me into space. Before too long I felt the familiar buzz in my cunt, telling me that I was about to explode.

While keeping one hand on my tits, he moved his other one down to brush a thumb across my swollen clit. That was all it took, and I immediately flew into a wild cum. My knees were pulled up even further to allow him full penetration. My tits were on fire as was my clit. I was cumming one after another. The orgasms were hitting me like sleet in a late winter's storm and I was riding them for all I was worth.

After what seemed like fifteen minutes of solid cum, Steve finally pulled his masterful cock from my pussy, but he was far from finished. He quickly flipped me over onto my hands and knees and moved in behind me. Easily his cock found my hole and ravenously pushed deep inside. With both my hips in his hands, he again picked up the pace and started the incredible fucking all over again. Only this time, he seemed to be on a mission of his own. He slammed into my buttocks with such power that I was barely able to catch my breath. It was all I could do to hold on, but there was no way that I was going to let him down after the orgasmic bliss he had imparted on me.

I could feel his beautiful cock swell up to even greater proportions and knew that the climax was in site. I felt him reach over and get a hold of my hair. This is one of my favorite things with sex and it managed to throw me over the orgasmic edge, yet again. This was all Steve needed and just as my cum was nearing an end his cock started to pulse. Before he spurted, he pulled out and spun me around. His cock slid naturally into my mouth, just as the first volleys of cream shot out. I eagerly swallowed four or five full bursts of his nectar. It was so sweet that I was sorry when the last few drops trickled out.

That was my most memorable photo shoot ever. I wasn't in love, but I most certainly was in lust.

THE NEWS RACK

ALL THE NEWS WITH TITS

By Steve Nelson, Editor-in-Chief of Adult Industry News (AINews.com)

GENT MAGAZINE • JUNE ISSUE #135

SINNAMON LOVE

I met Sinnamon Love for an interview at "The Standard" in an upscale restaurant in downtown Los Angeles. We talked for quite a while in the lobby while her food got cold. I met her years ago when she first came into the Adult Industry and was living in a cam house.

Though tired after picking up her movies from different distributors all day she was bright and energetic. No longer the young, shy, teen, she is now a mature savvy business-woman who happens to have a really nice rack!

Sinnamon loves New York, has lived in Miami and now calls Los Angeles home. She lives in Downtown Los Angeles because she likes "the solitude of the city". (That may sound strange if you haven't experienced the anonymity of being among a throng of strangers.) She says she rarely runs into anyone from "work".

I mentioned that Dymes #5 from Afrocentric came through the AINews.com office and her scene was really good! The classy high-end compilation of scenes suits her taste. In November 2006 she re-launched SinnamonLove.com with just that flavor.

Shooting her own content is her main focus but you won't see her shooting negative stereotypes. Her projects are full-spectrum urban and she likes the glam look without the stereotypical stripper clothes. Her content is pretty, soft and romantic AND extremely hardcore as well! DVDs with solo girl, girl/girl, boy/girl, a variety of fetish and other scenes will only be available through her site. She is shooting other girls, both paid and trade shoots, for those interested.

To some shooters, the look she's shooting is something they believe will not sell, but Sinnamon says, "Companies that take that risk open up a new market." Though she does her own film editing, Atlas Multimedia is doing her site. Also her ProfessionalDomme.com re-launched in late 2007.

Sinnamon joined the PrimeTimeUncensored.com cast of hosts about June 2007. She is guest co-ho with Orpheus Black and now coho of "Fetish at Night" Fridays from 7 to 9 pm. The shows are archived weekly and has a range of topics. She has light BDSM and live performance and covers a wide range of fetishes with interviews and performances.

Watch for these releases: *What a Booty 2* - release date July 11 from Red Light District, *Doin' Da Bubble Butt 3* streets June 26 from Black Ice, *Chemistry 4* out February 2008 from Vivid and *Sprung a Leak 4* from Red Light District.

KITTY LEE

Kitty Lee has been around a lot longer than one would think. She began modeling at about 13 for Sears and JC Penny, then at 19 started stripping at DeJa Vu.

Kitty also worked in Las Vegas as a showgirl at the Flamingo for 6 months. While working there she was contacted by photographers to do private shoots. She shot with some of her girlfriends and at the age of 20 she had progressed to doing private parties and girl/girl shows.

While doing girl/girl shows Kitty says she was "asked by a rich guy to do a boy/girl scene for him. He took me to a swinger's club and I did some live sex shows."

A few years later Kitty made some home movies and shot for magazines under the name "Renee McKenna" and "Sierra" something - she forgets her alias now - and adds she also shot a centerfold spread for Playboy a back in 1999.

She now had a resume of home movies, internet modeling, web shows, dominatrix outcall 2 times a week and adult stuff here and there by age 24. Then, at 25, she started doing hardcore scenes. She says she shot for a lot of bad companies and almost left the business, but then got with Jim South at World Modeling. Payton Leigh sent her to Jim and then things got a lot better - for a while...

Kitty began working with someone who she later found out was a sex offender. I won't mention names, but she says she knew nothing about this guy's past and when later she found out he molested his nieces and nephews and liked to put things in girls' drinks at bars. She got away from him as fast as possible.

After that ordeal Kitty did some escort work but soon got out of it and "retired" from the Adult Industry. The person she was then with didn't want her to do porn. She says she was "gonna get married and have kids."

That plan lasted for 2 years and when she went through a break-up with the guy she was dating she says, "I got my life back on track, but was scared to get back in. Fortunately, I'm now [morally] supported by a new guy in my life, so here I am!"

Since then, I've shot Kitty twice myself for another producer and helped her with getting work. When she shot stills for me she even pulled her boyfriend in and broke his porn cherry. Lucky guy, getting dragged into a shoot by his pornstar girlfriend and appearing in a national magazine like Gent! Kitty's plans include doing boy/girl, girl/girl, fetish and bondage scenes. She has a new hair color, black, and is losing more weight again.

Kitty adds, "My website that is finally up: ClubKittyLee.com, and I just recently partnered with GenerationXXXProductions.com as well! I'm so excited."

Directors should book her through her email at KittyLeesBack@Yahoo.com. Fans can contact her at MySpace.com/KittyLeesBack and Groups.Yahoo.com/KittyLeesBack.

TIT BITS

As Editor-in-Chief of Adult Industry News I have the opportunity to help girls in unique ways. Each year at the AVN Adult Entertainment Expo I try and find a deserving new girl to help. By introducing her to as many people who will help her in her career as possible, I try and give her a good start. Some of my previous "projects" have been Lisa Sparxxx, Dixie Cupps and Devyn Devine. These girls probably would have found fame and fortune without my humble help, but I enjoy putting deserving girls on the fast track to success. This year it's Bunny De La Cruz.

I met a girl at a shoot I was working camera on - yup, Bunny De La Cruz. You will be seeing a lot of her if I have my way. She is a sweet, blonde with an hour glass figure. I've already hooked her up with Anton Fury who has shot her for the pages of this fine magazine. Here is a teaser shot of Bunny. (Better yet, see page 23. Fury)

Industry Veteran Hank Armstrong contacted me and asked that I come out to his club, 7th Heaven, in Coachella near Palm Springs. The club is located at 45156 Dillon Rd, Coachella, CA 92236. Coincidentally Savannah Jane, who was signing there that night along with Shyla Stylez, Courtney Cummz and Michelle Avanti, asked me to drive out there with her.

For details on the party read Myles Shaffer's account from his column "Myles' Weekend Adventure" on Adult Industry News at AINews.com/story/12582. One thing not in Myles' column is - when you room with a pornstar be ready to get woken up at 3am by a girl with a camera who wants to suck you off for website content.

Thanksgiving was much the same over at Savannah's when Ron Jeremy, Anita Cannibal, Ron Hightower, James Bartholet, Cheyenne Hunter and Blonde Moment were there. The girls decided to ad lib in front of the camera making funny parodies of TV commercials by sliding butt naked around on the carpet when everyone came by after Thanksgiving dinner.

There was a showing of "The Opening of Misty Beethoven" at the Beverly Theater in Los Angeles. Hosted by carnal cinema curator William Margold, the 1976 film, considered by many to be "The 'Citizen Kane' of X", stars Constance Money, Jamie Gillis, Terri Hall and Gloria Leonard and is, according to Margold, "A glowing example of the Golden Age of Adult Film." There will be more screenings like this in the future and will be announced on Adult Industry News.

I had the extreme pleasure to shoot with June Summers again. The girl is a total wet dream! While she was warming up for the scene she squirted about a pint all over the couch! Shot and directed by Roman Pornansky for Filmco, look for it to come out under one of their Big Boobed MILF series.

Don Hollywood, the only practicing lawyer in the biz who is also active talent, hosted a shoot for a company called Deaf Bunny. Including my friend Savannah Jane there are about 20 deaf girls and guys in the Industry. The entire crew was also deaf. Everyone there spoke ASL (American Sign Language), which gives an added dimension to getting a hand job. The scenes I saw filmed were smoking hot! Check out DeafBunny.com for new releases made specifically for deaf people. These girls prove you don't have to hear to be sexy and do a smoking hot sex scene!

For you guys looking to hook up with hot chicks, Dr. Z, Victoria Zdrok has just written *How to Pick Up, Seduce and Hook Up with Hot Women.* Published by Fireside Books, Victoria gives in depth info on how to score with the girls of your dreams. To every man who has ever thought to himself, "A girl like that would never hook up with a guy like me," sexpot and "sexpert" Dr. Z says, "Yes, she would," and then reveals how to make it happen. The book is available now at bookstores everywhere.

Well, another month has slipped away! Be sure to read Adult Industry News at AINews.com for the latest news as it happens. Write to me at Editor@AINews.com or MySpace.com/ReadAINews and tell me about the busty girls you would like to see in The News Rack! Thanks for reading!

JULES JORDAN VIDEO

This special edition 2-disk set opens with Gent model Rucca Page. I loved her when I first laid eyes on her in Gent's March 2008 issue, but seeing her in HD action is so much better. The scene begins with her teasing us with her incredible natural wonders. She fondles, squeezes, bobbles and ultimately splashes cold water on them for a beautiful wet t-shirt surprise. Before you can even get your dick out of your pants, she's got a big, fat cock wrapped up in her more than ample cleavage and the show has begun. This boy quickly takes charge and slams his fat hog down her throat. He moves in behind her as they lie on the couch and parts her cunt lips from behind so we can get a good view of the action. He reaches around with his hand to rub her clit and she just explodes. Rucca has a body that's just made for fucking and she definitely know how to use it. She's moaning and bucking all over the lucky boy with her perfect tits flopping all over the place. Mr. Big Dick runs her through her paces, changing positions every few minutes until he finally puts the head of his shaft to her back door entrance and easily slides all the way in. If Rucca was grooving on the cock in her cunt, she's gone into orbit with it in her ass. The way she's riding him, she is obviously no stranger to having a cock in her ass. After a good butt pummeling our boy pull free and slaps his steaming meat between her soft udders. It only takes a minute of her vigorous titty-fucking until he blows ropes of boy batter into her open mouth, which she ravenously swallows down. This scene is pretty long at nearly 40 minutes, but it never drags at all. Just as I originally suspected, Rucca Page is one steaming hot number. Allie Foster is young, cute and ready to fuck. Aiden Star gets a good pounding from Mr. Marcus. Stacey Adam's huge natural titties are flying high, as she goes through her pussy paces. Riley Evans gives as good as she gets and Carolyn Reese is one dirty girl. Each one of these girls is beautiful with unbelievable sets of natural tits and obviously lovers of cock. DDD-CUP

HOLY SHIT!

3 Times in One Night?!

> “His cock was so completely HARD & BIG. And his staying power was INSANE.”

SECRET “Sex Serum” Exposed!

Are you the type of guy that women brag about - THAT "One Guy", the one that "rocked her world"? Now be honest, is that guy you? If not, I may have the secret answer that’s been apparently keeping the “industry” guys at the top of their game for years. Check out this letter I received (from a chick none the less).

To the Editor: I don’t usually write into magazines (especially mags like this), but after uncovering this amazing secret, I just had to blow the whistle on this stud. I know every girl says this, but I’ve only been with a handful (ok, maybe two handfuls) of guys sexually. And to be honest, a one night stand is a pretty rare occasion for me. But after partying with this guy for a couple of hours and grinding up against him I just had to get a glimpse at what this guy was packing.

Well, after heading back to his place, let’s just say it got a little crazy. He made all the right moves and the sex that followed may have actually destroyed it for every other man! His cock was so completely hard and BIG. And his staying power was insane. Holy shit! I must have had 5 or 6 orgasms after being ravaged 3 times in one night. Now I’ve been with a couple of guys that performed well in the past. I know one of them was using Viagra, and the other a topical called Maxoderm (which also works pretty well). But hands down this guy was the “champ”, I mean he performed sexually like a pro! So between the size of this guy’s unit and the fact that he pounded me for nearly 4 hours, I just had to ask what this super stud was using to rock my world.

Well, after bribing him with some return “favors” he finally fessed up. Surprisingly enough, it was also a topical (like Maxoderm, but better). He referred to it as his “secret sexual serum”, better known as **PROMAGNUS**. And, get this, my super stud also owned up to being an adult film star!! He claims that he’d never be able to perform at his job without the help of **PROMAGNUS** and that it maximized size while helping him to “recover” faster and do it more often (I’ll say!). He even said that ALL male stars he knew in the industry use it – “What do you think, we have the super human ability to fuck like that naturally?”

So next time you think that these “super” studs are plugging away on screen with little or no help THINK AGAIN! They obviously need help like everyone else. So now the secret is out of the bag! I recommend **PROMAGNUS** to any man looking to perform like a porn star. I know that I’ll never let any man that I’m with have sex without it again .

WELCOME TO THE FREAKSHOW!

BY ANTON FURY

People always ask me what it's like to do my job. They seem to think that it's nothing but wild sex all the time, with a multitude of girls. Most of the time that's not the case, but every now and then, that is exactly the case. Over the years I have hosted content parties at my studio. Various people from all over the country come in for the weekend and we shoot everything that goes on. Sometimes it's fetish oriented, sometimes it's all sex, but this one had something for everyone.

It started Friday night at 8pm and ran until Monday morning. I looked at the clock in my car as I was leaving and it was 8am. I had to deal with morning rush hour traffic to get home for some sleep.

By the time I got all the footage edited, I had seventeen DVD's full of non-stop action. We also ran the entire weekend live on the Internet. Videographers and photographers were shooting in every corner of the studio. I didn't want to miss any of the action.

The action consisted of all type of sex, whips & chains, lesbian, transvestites and virtually anything that you can think of. Some of the girls sucked every cock that walked through the door.

Rhiannon, Harley Rayne, Amber Foxxx, Alena Snow, Anita Blue, Jade Jadore, Tatiana Stone, Vida Sadora, Kerra Dawson, Devyn Devine, Claire LaFemme and Scarlette Rayne where just some of the girls that participated. We actually brought guys in from my gym to aid in the stunt cock load. Rhiannon invited her car dealer and he showed up to get a couple blowjobs.

The weekend began with Amber FoXXX taking on 2 guys and ended with Harley Raine sucking of a guy from the gym assisted by Rhiannon. In between you had Vida and Kerra in some hot girl/girl, and each of them fucking a couple different guys. Jade Jadore and Tatiana Stone teamed up to fuck Big Dick Johnson and Rhiannon and Harley Raine got together for a steaming 2-girl set.

At one point there was a pile of body's on the bed. A couple of the girls were tied up and being spanked, while sucking cock. Anita Blue sucked every cock in the place at least once. While Jade Jadore was waiting to get onto a set to do a scene she decided she couldn't wait and took on two guys. One fucked her pussy while the other fucked her face.

A guy from the gym pulled me aside and said the he liked one of the girls and wanted to eat out her asshole. I called Josie over and told her what Pat had said. Her response was, "Sure, but I want a big set of tits in my face while he does it. Easy enough, I called over a big-titter and got them set up. Pat couldn't have been happier as he stuck his tongue up Josie's ass.

These parties are just a good time for everyone. Nobody judges anyone else. Anything goes, between consenting adults. If you're not up for something, you just say "No." A splendid time is guaranteed for all.

To see pix of the weekend got to FuryPix.com. To buy the DVD's go to SweetnEvilVideo.com.
